Become a member and do something for you and your community

All you have to do is visit our nearest Co-op store at Cranbrook
Collect a 'Become a member' leaflet
follow the easy stages to start donating towards
Tenterden & District Memory Boxes

Digital Memory Boxes and other technologies will be designed to support the needs of dementia sufferers and adults with learning difficulties and their carers by stimulating memories and conversation.

The funding will be used to transform the current display creating an innovative and engaging area covering social and domestic life in Tenterden and District during the 20th century.
